RETIREMENT ACKNOWLEDGEMENT

Due to low turnout at retirement functions, Battle River Local #32 ATA will no longer hold a venue of this nature. Instead the local is providing up to $200 per school to help defray the cost of acknowledging retired teachers on your staff.

Note: The local will still provide the retiree(s) with a gift. Also, this acknowledgement does not apply to teachers who are transitioning into retirement.

If your school qualifies, please fill out the following information, along with attached receipts, and send to:

Candace Hodder, Bashaw School

email: chodder@ualberta.ca

Deadline to submit receipts and this form is June 15. For retirement functions after this date please submit by Sept. 30 of the next school year.
